◊ Students can test out of the basic computer science course. For more info go to www.ws.edu and click on “current students” then click on “computer competency”.

* In order to meet the general education competency, students must take these courses during the first 30 hours of college level work.

4 General Education electives in each category must be chosen from approved courses listed on reverse side. Some of these courses may require prerequisite courses.

2 Students should consult a faculty advisor to determine appropriate course selections transferable to specific institutions.

3 Students transferring to ETSU are required to have PHIL 2640 (Science and the Modern World) as a humanities elective.

4 The TTP requires MATH 1830 or above. The division prefers MATH 1910 as it addresses math concepts utilized in PHYS 2010/2020. Students with ACT Math of 27 or higher can take MATH 1910 without a pre-requisite. Students with ACT Math of 26 or lower will need to take MATH 1710 and/or 1720. Math Division will place after testing.

**Recommended Full-Time Schedule**

The following **Recommended Full-Time Schedule** is not a substitute for academic advising. You must meet with an academic advisor each semester to be cleared for registration. Consult with your advisor about scheduling and degree requirements. Also, see the current undergraduate catalog (catalog.ws.edu) for a complete list of requirements and electives. Requirements are continually under revision, and there is no guarantee they will not be changed or revoked. Contact the academic division or department for current information.

**Factors that affect your progression include required Learning Support courses, completion of computer competency and your choices regarding campus location, course delivery method, and the days and times selected to take classes.**

1. General Education electives in each category must be chosen from approved courses listed in the General Education program.
2. Students can use any WSCC transferable course for a general elective. Transferable courses are designated with this symbol ♦ in the course descriptions section of the catalog.
3. Students with ACT Math of 27 or higher can take Math 1910 without a pre-requisite. Students with ACT Math of 26 or lower will need to take MATH 1710 and/or MATH 1720. Math Division will place after testing.
4. Completion of the above courses satisfies requirements for A. S. degree. PHYS 2020-21 will be required prior to entry into medical schools. Students should consider taking PHYS 2020-21 at WSCC to assure transfer of the entire sequence to the senior institution.
