**Associate of Science in Pre-Medical Laboratory Science**

**Recommended Full-Time Schedule**
The following **Recommended Full-Time Schedule** is not a substitute for academic advising. You must meet with an academic advisor each semester to be cleared for registration. Consult with your advisor about scheduling and degree requirements. Also, see the current undergraduate catalog (catalog.ws.edu) for a complete list of requirements and electives. Requirements are continually under revision, and there is no guarantee they will not be changed or revoked. Contact the academic division or department for current information.

**Factors that affect your progression include required Learning Support courses, completion of computer competency and your choices regarding campus location, course delivery method, and the days and times selected to take classes.**

1. General Education electives in each category must be chosen from approved courses listed in the [General Education](#) program.
2. Students can use any WSCC transferable course for a general elective. Transferable courses are designated with this symbol ♦ in the course descriptions section of the catalog.
3. Students with ACT Math of 27 or higher can take Math 1910 without a pre-requisite. Students with ACT Math of 26 or lower will need to take MATH 1710 and/or MATH 1720. Math Division will place after testing.

### Fall Term (14 semester credit hours)
- CHEM 1110/1111 (4 hrs.)
- BIOL 1110/1111 (4 hrs.)
- ENGL 1010 (3 hrs.)
- INFS 1010 (3 hrs.)

*Walters State students are required to meet computer competency during the first 30 hours of coursework. Students must take INFS 1010, MGMT 1100 or AGRM 2630/2631 or successfully complete a Computer Competency Exam. Consult your advisor. See [www.ws.edu/academics/technical-ed/computer-competency/](http://www.ws.edu/academics/technical-ed/computer-competency/) for additional information.*

### Spring Term (17 semester credit hours)
- CHEM 1120/1121 (4 hrs.)
- BIOL 1120/1121 (4 hrs.)
- ENGL 1020 (3 hrs.)
- MATH 1530 (3 hrs.)
- Humanities elective (3 hrs.) *(Select from WS approved general education list)*

### Fall Term (17 semester credit hours)
- CHEM 2010/2011 (4 hrs.)
- BIOL 2230/2231 (4 hrs.)
- SPCH 1010 (3 hrs.)
- HIST 1110 or 2010 (3 hrs.)
- PSYC 1030 (3 hrs.)

### Spring Term (16 semester credit hours)
- CHEM 2020/2021 (4 hrs.)
- HIST 1120 or 2020 (3 hrs.)
- ENGL Literature elective (3 hrs.) *(Select from WS approved general education list)*
- Humanities elective (3 hrs.) *(Select from WS approved general education list)*
- Behavioral/Social Science elective (3 hrs.) *(Select from WS approved general education list)*

*Students will need to complete BIOL 2010/2011 and 2020/2021 prior to beginning the LMU program.*
