**Associate of Science in Pre-Radiography**

**Recommended Full-Time Schedule**
The following **Recommended Full-Time Schedule** is not a substitute for academic advising. You must meet with an academic advisor each semester to be cleared for registration. Consult with your advisor about scheduling and degree requirements. Also, see the current undergraduate catalog (catalog.ws.edu) for a complete list of requirements and electives. Requirements are continually under revision, and there is no guarantee they will not be changed or revoked. Contact the academic division or department for current information.

**Factors that affect your progression include required Learning Support courses, completion of computer competency and your choices regarding campus location, course delivery method, and the days and times selected to take classes.**

1 General Education electives in each category must be chosen from approved courses listed in the General Education program.

2 Students can use any WSCC transferable course for a general elective. Transferable courses are designated with this symbol ♦ in the course descriptions section of the catalog.

---

**Fall Term (13 semester credit hours)**
- BIOL 2010/2011 (4 hrs.)
- ENGL 1010 (3 hrs.)
